Supported Learning

Supported Learning classes for Adults with Learning Difficulties

www.suttoncollege.ac.uk

Overview

Our Supported Learning Department mainly cater to adult learners aged 19 years plus, although we do have a small number of younger learners 16 years plus.

We offer courses for learners with mild to moderate special educational needs and disabilities.

Overview

➡ www.suttoncollege.ac.uk

From September we will be running our courses from our Sutton College Centre, St Nicholas Way, Sutton.

Aims

We aim to provide a person centred approach to learning and achieving.

We want to nurture, support and inspire our learners to not only achieve, but instil higher expectations and values of themselves.

The Team

We currently have 15 tutors teaching a varied range of courses within the Supported Learning Department.

Some tutors teach more than one class, where their background and subject specialism allows.

Our Supported Learning Tutors have worked within the department for a number of years.

The Team

We have 7 Learning & Curriculum Support Assistants, who assist within our classes.

The LCA's work across the department providing support in all classes.

This enables the learners to have continuity and a familiar friendly face.

The Learners

We have a very friendly and gentle cohort of learners.

We are very fortunate with how supportive our learners are of each other.

We are very proud, humbled and fortunate to have such a cohesive atmosphere.

Course Pathways

We offer Enrichment, Independent Living and Employability Pathways.

We aim to match the accreditation to the learner and not the learner to the accreditation.

Achievement builds confidence.

Enrichment Courses aim to enhance - Health, Wellbeing, General/Subject Interests, Confidence Building.

Independent Living - Social Skills, Healthy Living, Street and Home Skills, Maths with Money

Course Pathways

Employability - Work Skills, Science, Creative Skills For Working in Retail, Photography, Personal Presentation For Interviews.

Employability Qualifications and Personal & Social Development Qualifications.

Progression

We both support and encourage progression, whether it be on to courses at a higher level within our department, or into mainstream.

Raising Money for Comic Relief

Case Studies

DW - Joined our Supported Learning Department 5 years ago, and has successfully achieved ASDAN qualifications.

He progressed into mainstream and successfully achieved Maths & English qualifications.

He has achieved his EDSQ E3 qualification this year, and is now enrolled onto L1.

During his learning journey with us, he has also volunteered and gained meaningful paid employment.

Case Studies

JN came to our college 4 years ago, initially the courses planned where to support confidence and instil security.

JN was encouraged to learn underpinning employable skills, dealing with others, time management, basic English and maths.

JN secured part time employment.

How to enrol

Contact us for a course approval appointment

supportedlearning@suttoncollege.ac.uk

Or

enrol@suttoncollege.ac.uk

Via telephone - 020 8289 4700

Or in person -

Sutton College, St Nicholas Way, Surrey, SM1
1EA

What happens next

At your appointment one of our team will assess the levels most suitable.

And more importantly discuss what course/s will ensure there is a person centred approach to learning.

Once the courses have been chosen together, forms will need to be completed and any payments made to secure a place.

2022 Summer Courses

We have a variety of Feel Good Friday Courses available.
For June and July.

Arts & Crafts
Tai Chi
Sport
Yoga

22/23 Courses
